Job Description

Job Title:

Career Firefighter

Nature of Work:

Performs general firefighting duties in the areas of prevention, suppression and extinguishment of fires. Duties also require performing emergency medical care, performing rescue operations, and hazardous material responses as needed.

Other Duties:

- Operate emergency vehicles in accordance with state laws and departmental policy
- Perform daily/weekly vehicle and equipment inspections
- Maintain the cleanliness of department facilities, trucks and equipment
- Assist with pre-fire planning, public information programs, and other special projects as directed by the Fire Chief
- Perform training as required by departmental certifications
- Accurately document required information on department forms and submit reports in accordance with departmental policy
- Demonstrate a professional attitude to include maintaining a professional appearance and acting in a courteous manner
- Work as an integral team player by interacting positively with other firefighters and automatic aid departments

Supervision:

Reports directly to the Fire Chief or his designee in regards to station duties and training issues. Works within the chain of command at emergency incidents. Paid personnel serve at the pleasure of the Chief of Department.
