

## **Emergency Vehicle Technician (EVT) Training June 22 to 25, 2021 Greensboro Coliseum Special Events Center, Greensboro, NC**

APWA-NC is pleased to offer EVT (Emergency Vehicle Technician) training in North Carolina. If your fleet service includes Fire Trucks, Police Cars or Ambulances, you know how important EVT certification is for your shop, but also how costly it is to send technicians out of state for training. For this reason, APWA-NC is bringing this training to Greensboro, NC. This specialty training is open to all communities.

At this training session, the class for module F-4 will be offered at a cost of \$450 per technician per class, and lunch is on your own. This class is 3.5 days long. The classes are limited to the first **20 registrants.**
